What is Pre-TIPS?

Teaching Improvement Processes & Strategies (TIPS) is a non-regulatory Performance Improvement workgroup created within the Penn/Temple RISE team.

Pre-TIPS offers "bite-sized" sessions to get you on track toward quality improvement without taking on the full TIPS course yet.

- **WHAT IS AN IMPROVEMENT PROJECT?**

  - Define an improvement project
  - Introduce the PDSA cycle

- **THE 8 WASTES OF LEAN**

  - Introduce & understand the 8 types of waste
  - Introduce possible tools & strategies to identify wastes in your community

- **CHOOSING YOUR IMPROVEMENT PROJECT**

  - Introduce a prioritization matrix
  - Demonstrate how to use a prioritization matrix
